

Cul-de-Sac Beautification Grants

The village office will reimburse up to \$100 of your cost for plants and materials for plantings in a cul-de-sac circle on a county-owned street in Hickory Ridge. This grant does not apply to townhouse or condominium communities, outparcels, or privately-owned roads.

To receive grant money, you must follow the steps below:

Step 1: Create a drawing of the proposed planting scheme for the cul-de-sac circle.

Step 2: Get signatures of 80% of the homes within view of the circle.

Step 3: Submit the plan and signatures to the village office. We submit the plan to the county, the legal owner of the circle.

Step 4: Purchase plants and materials and turn in receipts (up to \$100) to the village office for reimbursement. Streets may apply as frequently as every three years.

Questions? Call the village office at 410-730-7327 or e-mail the Village Manager at jduvall@hickoryridgevillage.org.
